## **Boarding and Tuition**

Fees are charged per term and cover curriculum tuition, meals (including lunch for day students), and participation in most School run activities. Additional charges for some activities, trips, events, transport, and some teaching materials will be notified to parents if they are over £20. Fees are payable by the first day of term.

Termly fees represent the overall cost of education and accommodation, averaged to an amount per term. There are 3 terms per year. The cost of the two-year IB course is averaged over six terms, and as such there is no reduction for the final term.

## **Examination Fees**

Examination Fees are not included in the tuition fees and will be charged separately. GCSE fees are typically £500 and IB Fees are £600.

## **Weekly Boarding**

Regular boarding involving 3 - 5 nights per week is regarded as Weekly Boarding. Subject to availability, regular boarding of periods of 1 - 2 nights per week may be available, and will be charged as a proportion of the weekly boarding supplement. Please contact the School for further details.

## **Occasional Boarding**

Occasional Boarding is useful as a taster, for sleepovers with friends, or when parents are absent from home for short periods (subject to availability). Occasional boarders do not have a dedicated bed, and would not be expected to board regularly. The cost is £65 per night up to Year 8, and £75 per night from Years 9 to 13.

## **Scholarships, Bursaries and Discounts**

Academic, Performing Arts, Visual Arts and Sport scholarships are awarded on merit and may attract a fee discount. Means tested Bursaries may be granted at the Governors' discretion and are subject to the availability of funds.

## **Sibling Discounts, (excluding Pre-School)**

These apply to siblings in the School at the same time . Second child 5%, third child 25%, subsequent children 50%

## **Acceptance Deposits**

On entering the School an Acceptance Deposit is payable. This is held for the duration of the student's attendance, and the balance is returned when the student leaves after payment of any outstanding monies owed. A 50% discount applies to deposits for the second child, and no deposit is required for the third child. Deposits vary according to the point of entry. Where siblings attend the School, the smaller of the deposits is returned as each family member leaves.
